

FIREARM AND RANGE SAFETY RULES

Safety is PARAMOUNT!

It is the most important aspect of firearms training and handling.

FIREARM SAFETY RULES

1. Treat ALL firearms as if they are loaded.
2. Never let your muzzle point at anything you are not willing to shoot or destroy.
3. Keep your finger indexed and off the trigger until you are on target and ready to fire.
4. Be sure of your target, back stop, and beyond.

RANGE SAFETY RULES

1. Never stand on or near the firing line during shooting without wearing ear and eye protection.
2. Be sure there are no obstructions in the barrel of a firearm before loading.
3. Never fire ammunition that is damaged or of questionable condition.
4. Load your firearm ONLY when given the command to do so by the rangemaster.
5. Keep the firearm pointed down range in the direction of your target at all times.
6. Do not violate range limits.
7. Pay strict attention to the rangemaster, following all commands. **DO NOT** anticipate commands.
8. Absolutely no smoking, eating, drinking, or talking on the firing line. Talk only to an instructor.
9. If you are unable to clear a malfunction, or need other assistance, raise your non-shooting hand and wait for assistance from a rangemaster.
10. In the event of a "Squib" round, **do not** fire a succeeding round. Raise your non-shooting hand and wait for assistance.
11. Dry firing is permissible only when given the command to do so by the rangemaster.
12. Never go in front of the line of fire, or move off of the firing line until the rangemaster has cleared the firing line and the command is given to go forward.
13. Absolutely no running or horse playing while at the range.
14. No attire or other items will be removed or discarded on the firing line - hats, coats, ammo boxes, etc., tripping hazard.
15. Do not pick up dropped equipment/ammo without permission from a rangemaster.
16. Never try to catch a dropped firearm.
17. "Hot Brass": Maintain muzzle discipline, index your finger, place the weapon on safe, holster your weapon if you're able to. Notify a rangemaster if you require assistance.
18. Inform the rangemaster of any medical condition that will prevent you from safely participating in range activities.

I, the undersigned, have read and fully understand each of the above-mentioned **FIREARM AND RANGE SAFETY RULES**. I also understand that severe or repeated violations of these **FIREARM AND RANGE SAFETY RULES** will be grounds for removal from the firing line and the firearms training program.
